

I'm
Late!

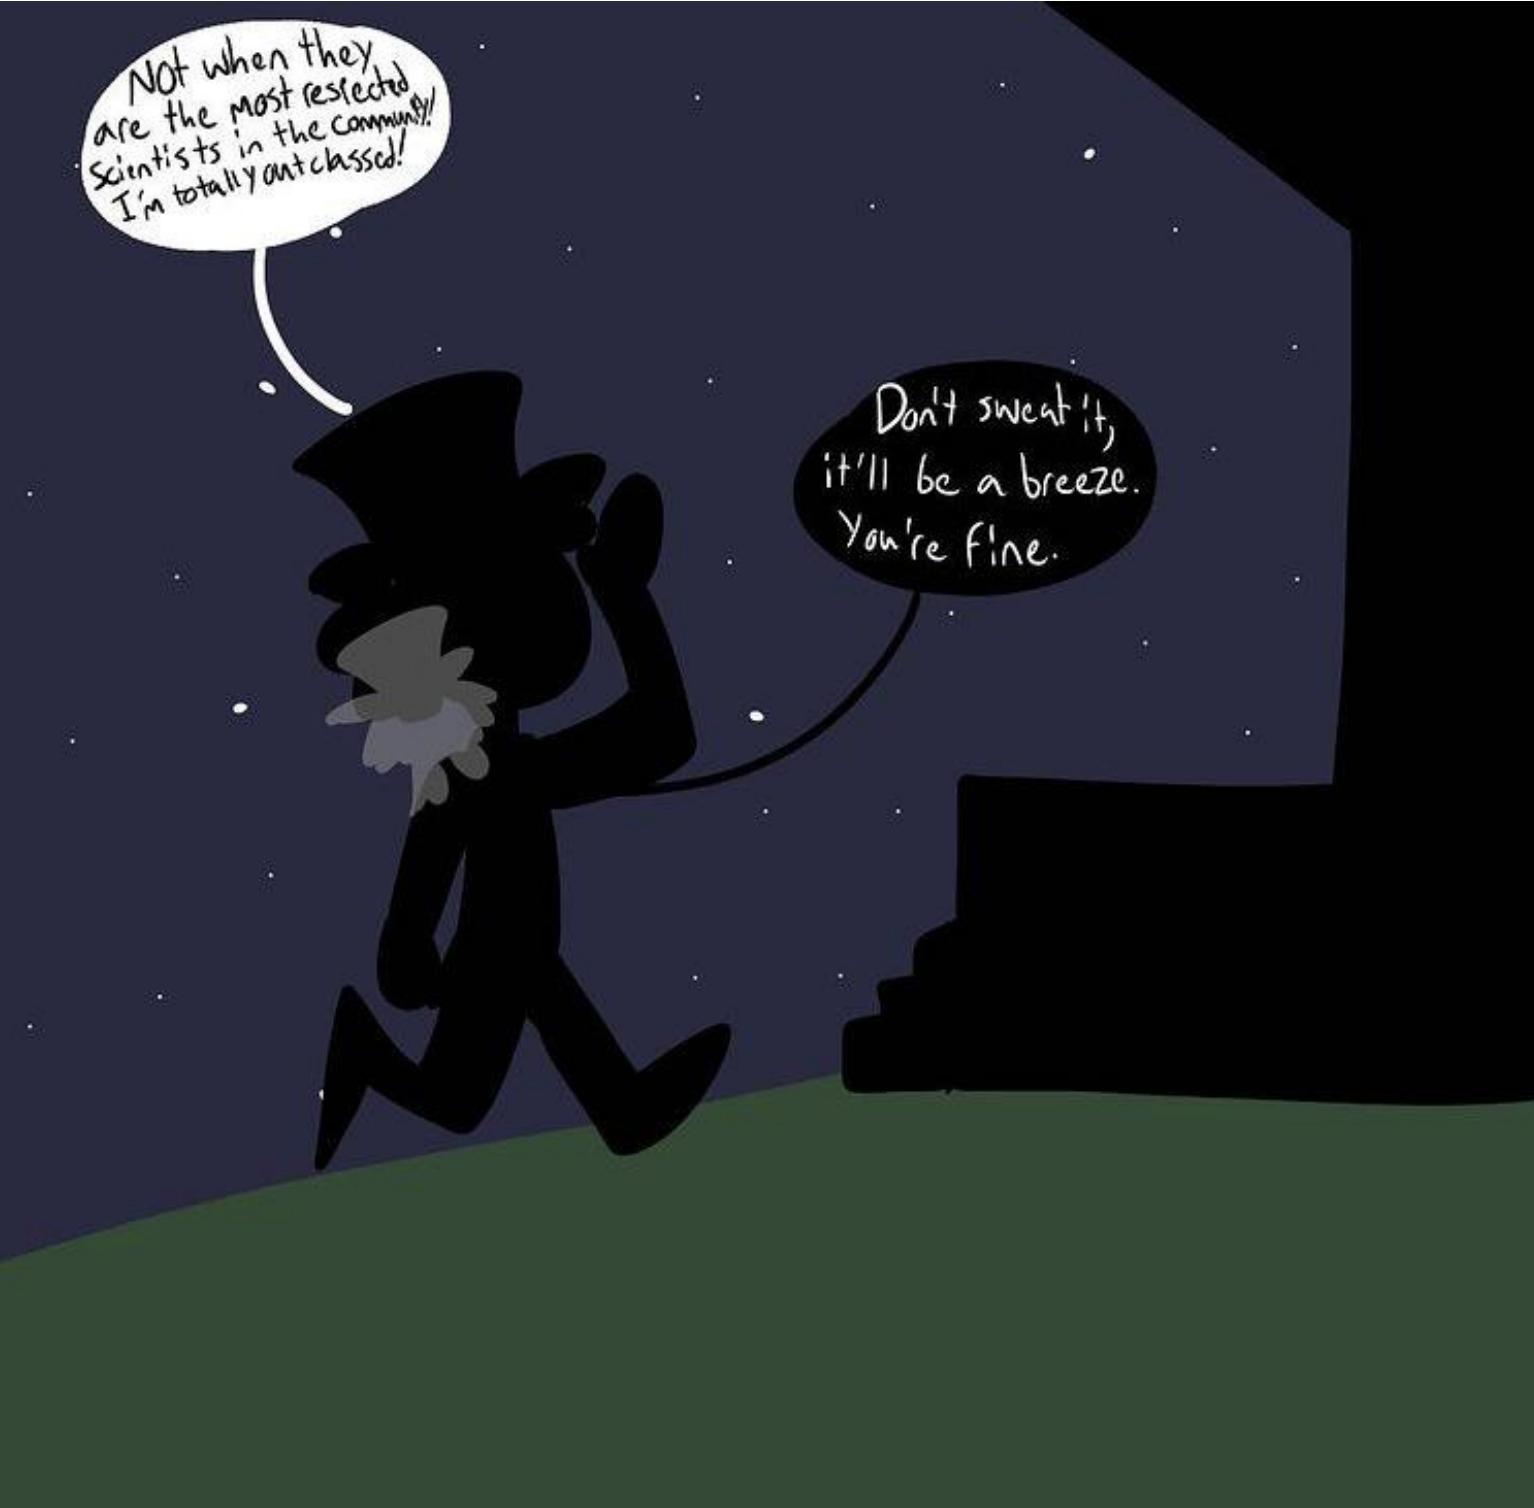

How could I
possibly be this
late?!

I'm
late!

Cut the theatrics,
Jack. You'll be fine! It's
just a silly costume
party.

Besides!
These guys are just
like you!

Not when they
are the most respected
Scientists in the community!
I'm totally outclassed!

Don't sweat it,
it'll be a breeze.
You're fine.

@jace.xe

*And when you catch it, you
gotta compliment the person
you're throwing it to.*

*Remember, speak loudly
and clearly, as everyone's
eyes will be on you.*

*Pardon me, but I will
be back in a moment.*

Don't you DARE talk to me
about being a sniveling little
dog, Doctor.

You'll do well to remember how
utterly pathetic you were the
night of your rather...

unusual incident

You were weak then...

...and you're just as weak now.

...oh dear god...

[Abi Jek] that is clearly out
of bounds...!

It is quite apparent one of us is unwell, and, judging by your insistence...

... it must be me...

Please, you'll have to excuse me...

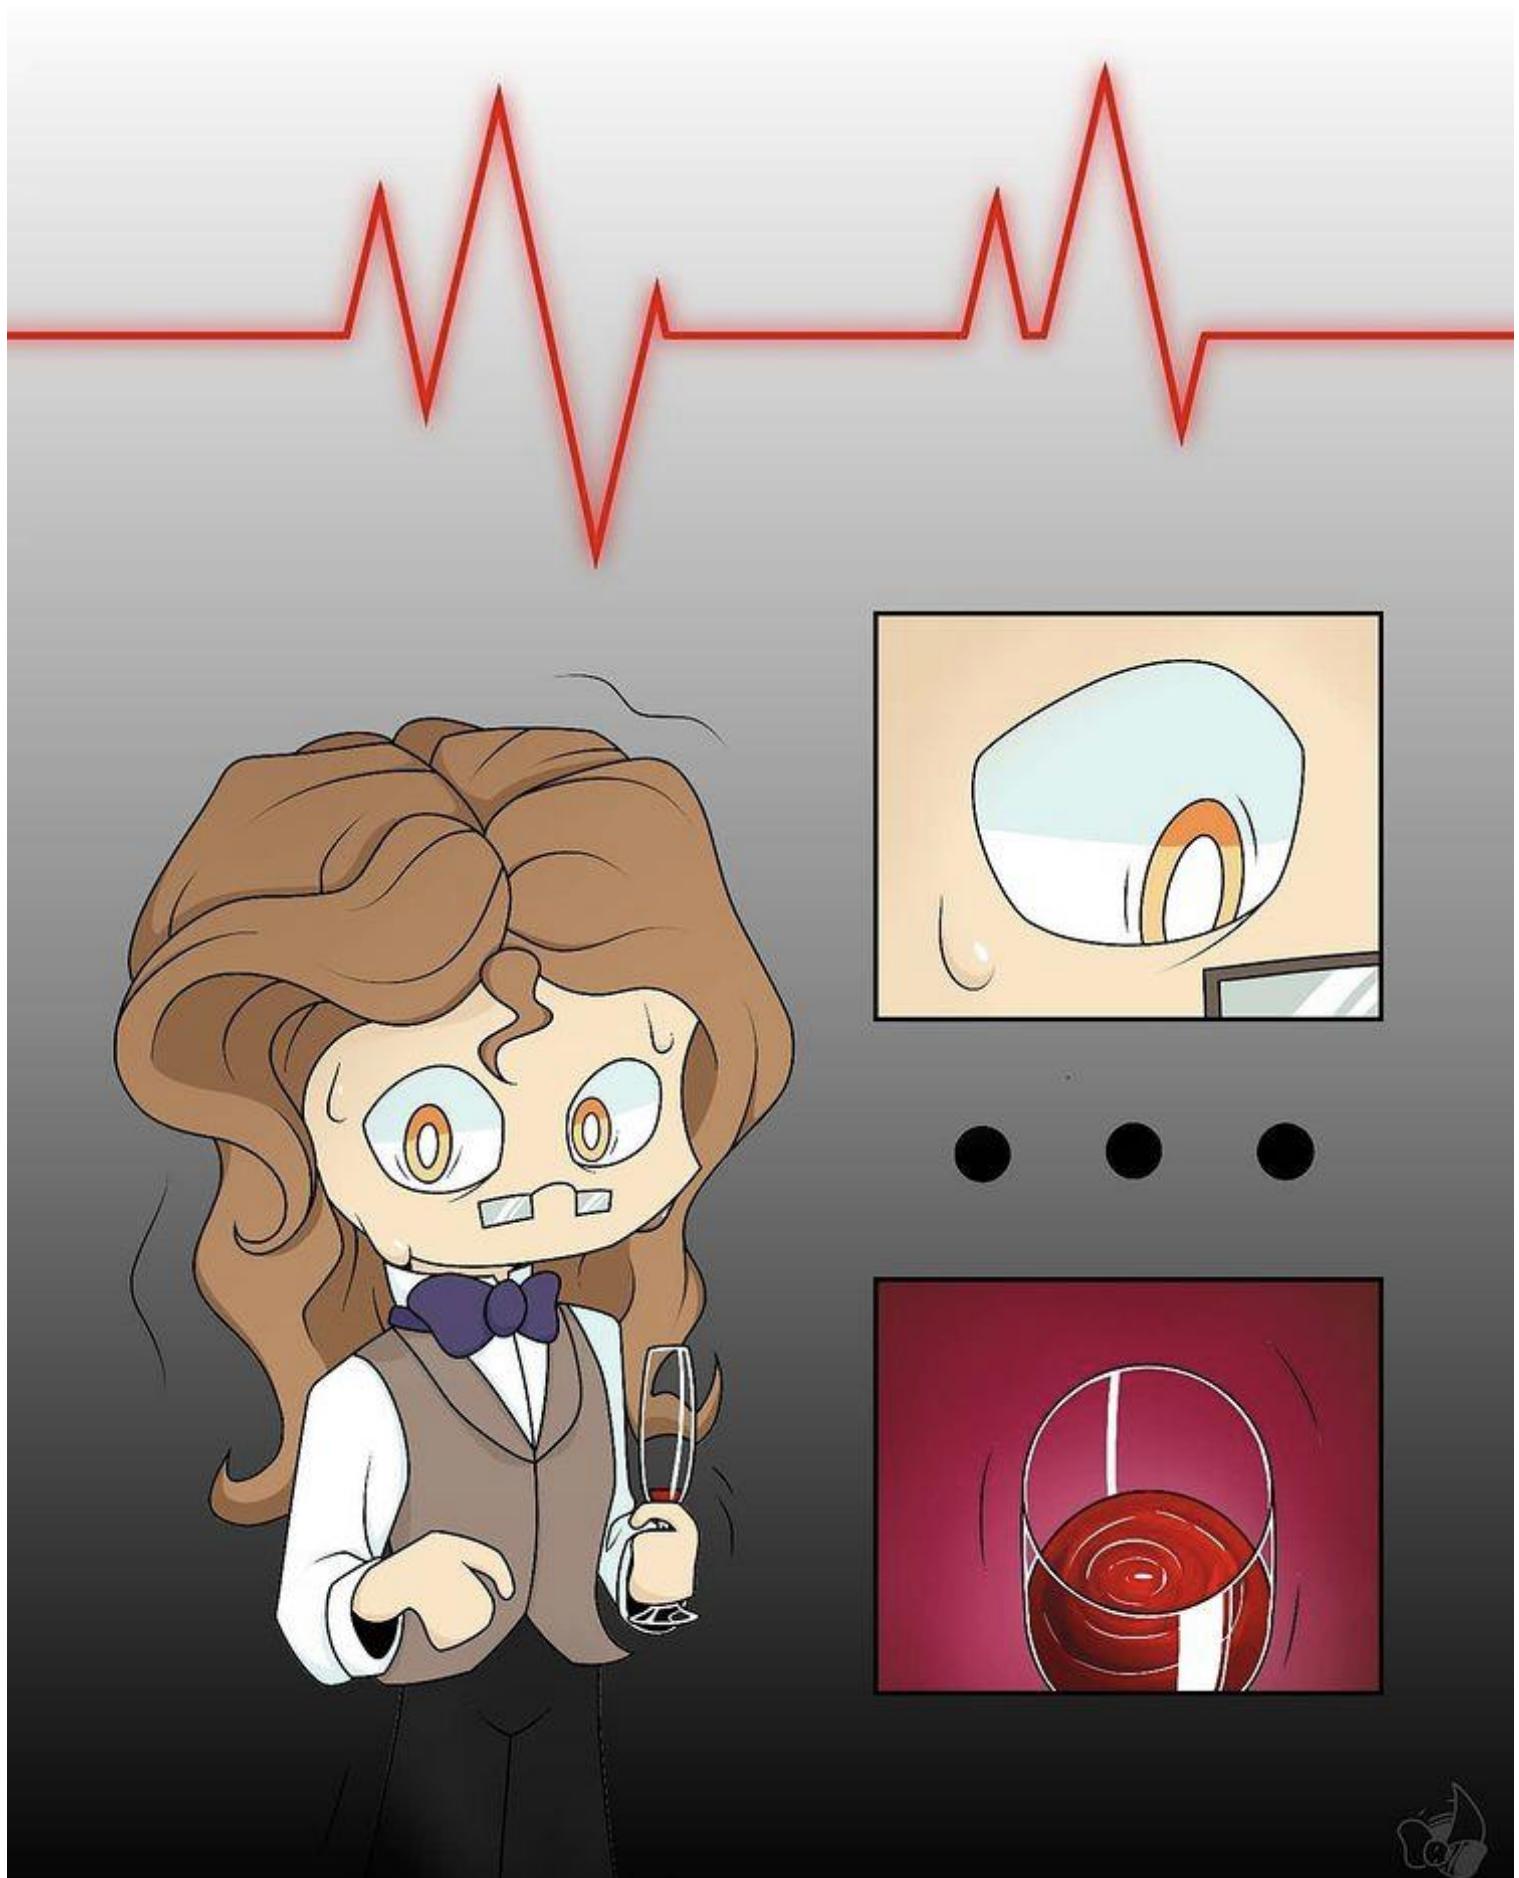

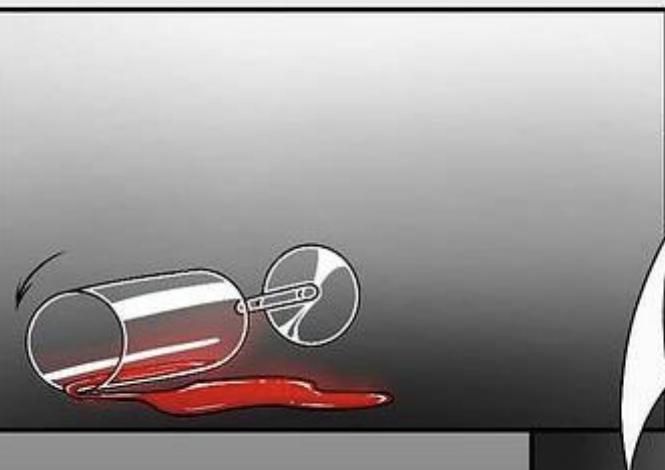

YOUR TURN

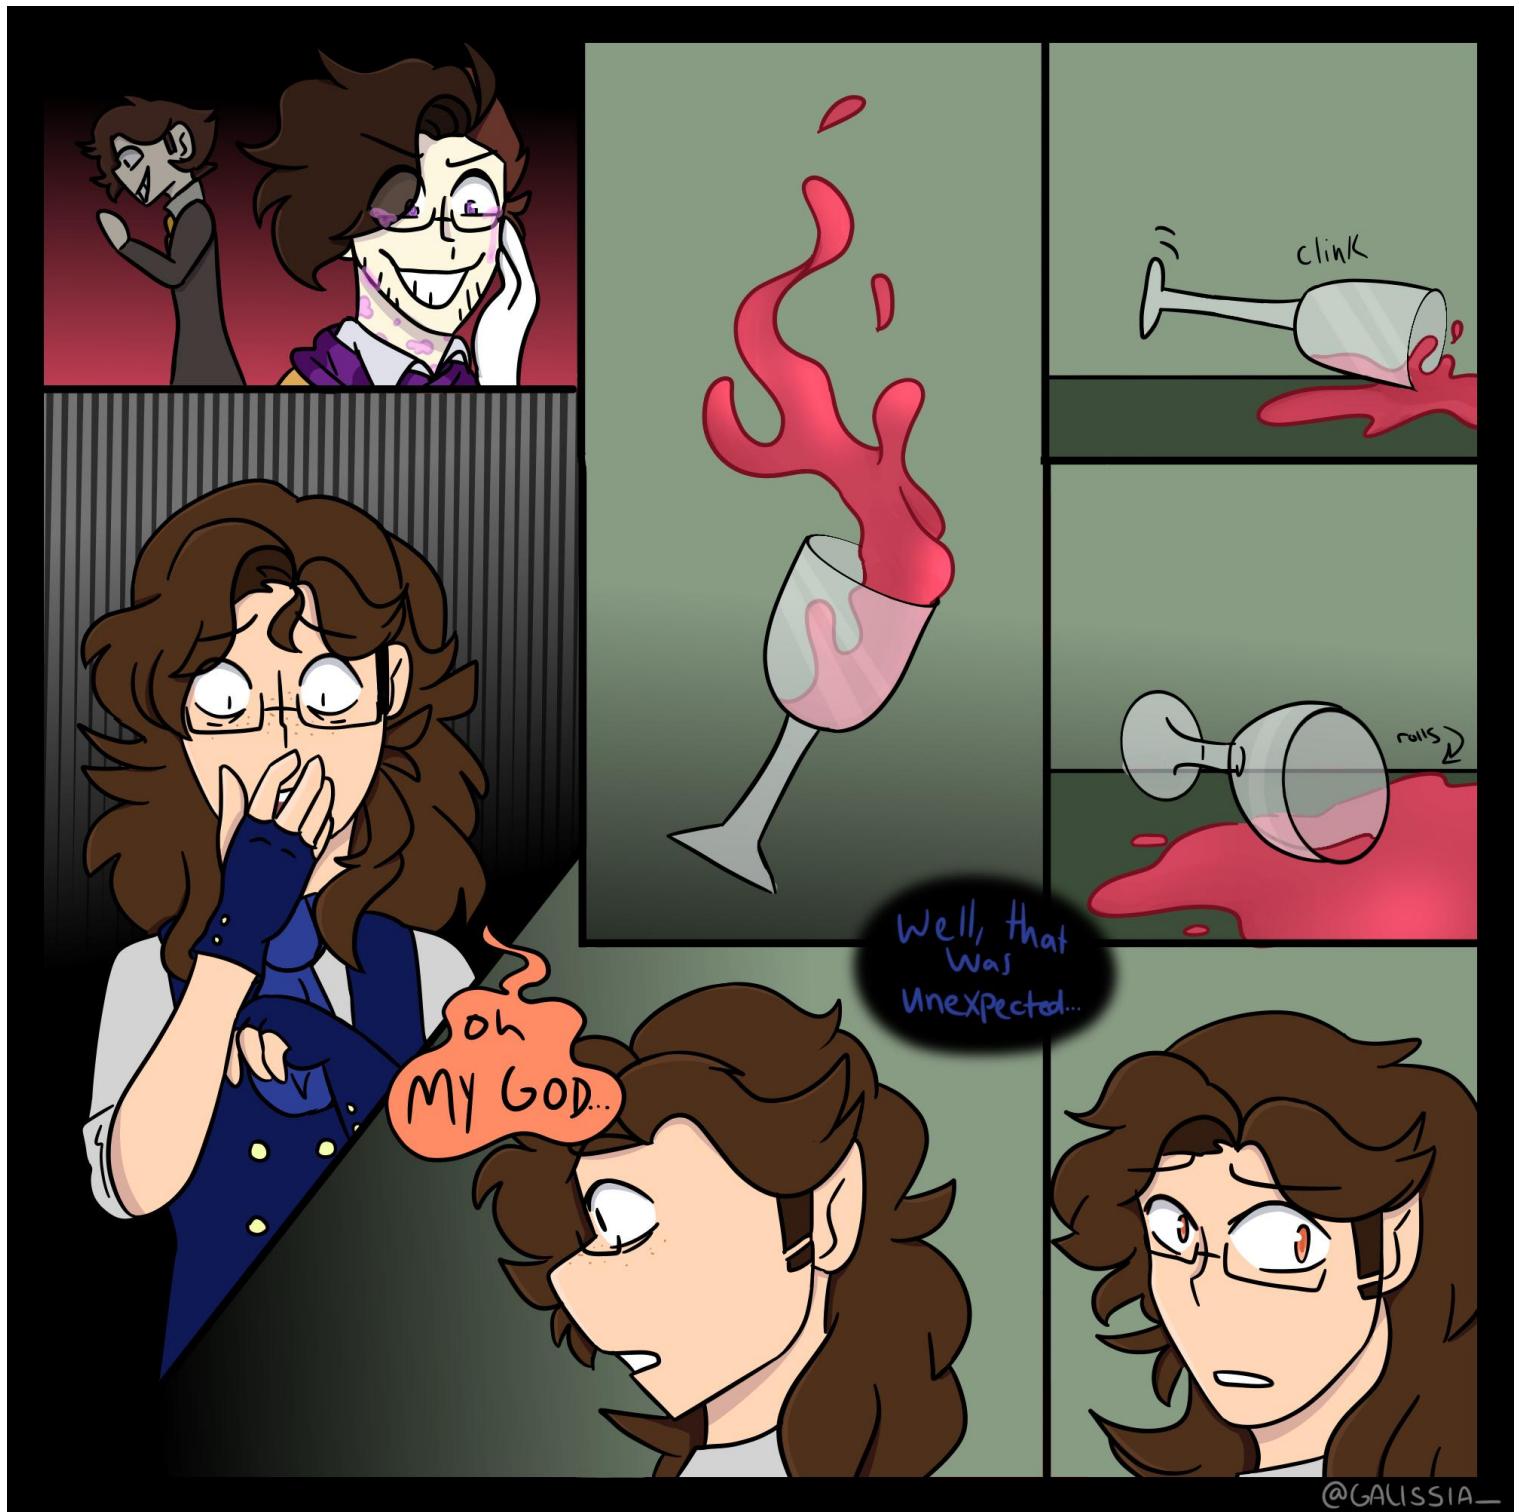

THE WEEKS OF
IMPRISONMENT ARE
FINALLY OVER!

NO LECTURES
FROM THE JESTER!
NO RESTRICT-

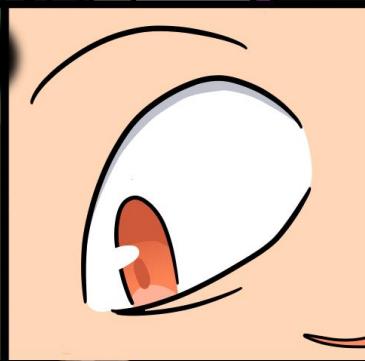

oh hell no.

damn.
